2. In the case of officers who were subject to the Civil Service Regulations leave rules before they elected the Fundamental Rules, the account should commence with an opening entry in columns 4, 5, 6, 7, 8, 11, 13, 14, 15, 16, 17 and 18. The words "Due on (date of coming under the Fundamental Rules)" should be written across columns 1, 2 and 3 and against these words credit under Rule 77 (b) (ii) (1) should be given in column 4 and column 6 and that under Rule 77 (b) (ii) (2) and Rule 77 (c) in column 5 and column 7, while debit for commuted furlough taken under the old leave rules should be given in column 11 and that under Rule 78, Note (2) (i) (a), in column 13, one half of the latter being entered in column 14. The sum total of the entries in columns 6 and 7 and in columns 11 and 14 should be entered in columns 8 and 15 respectively. The difference between the entries in columns 8 and 15 should be entered in column 18 and the entry in column 4 or 6 should be repeated in column 16, while the entry in column 5 or 7 *minus* the sum total of the entries in columns 11 and 14 should be shown in column 17.

3. When a Government servant applies for leave, columns 1 to 8 should be filled up. Columns 1, 2 and 3 should show the Government served under and the period of duty up to the date preceding that on which the Government servant intends to go on leave, and columns 4 and 5 should each show $\frac{1}{11}$ th of this period (but see Note 2 below), the sum total of the two entries representing the period of leave (i.e., $\frac{2}{11}$ ths of duty) earned under Rule 77 (b) (ii) (3). To the new entry in column 4 should be added the last entry in column 16 and the resultant figure should be posted in column 6: similarly to the new entry in column 5 should be added the last entry in column 17 and the resultant figure should be posted in column 7. The total of the entries in columns 6 and 7 will be shown in column 8.

NOTE 1.—If during the period of duty prior to a Government servant's going on leave he has served under two or more Governments, the period of duty and the leave earned under each Government should be shown in separate lines in columns 1 to 5 and the sum total of the new entries in column 4 and the last entry in column 16 should be posted in column 6 and of those in column 5 and the last entry in column 17, in column 7, the total of the entries in columns 6 and 7 being shown in column 8.

NOTE 2.—The sum total of the entries in column 5, inclusive of the opening entry mentioned in instruction No. 2, should not exceed $2\frac{1}{2}$ years [Rule 81 (a) (ii)], and no entry should be made in this column when this limit of $2\frac{1}{2}$ years is reached.

When columns 1 to 8 have been posted, column 8 will show the *maximum* amount of leave which may be granted in terms of leave on average pay [but see Rule 81 (d)] to a Government servant on the date on which he intends to go on leave. The *maximum* amount of leave, on average pay which may be granted on that date with medical certificate or out of India and Ceylon will be the sum total of the last entry in column 6, and the unspent balance of "one year" limited to 8 months at a time, provided this sum total is covered by the period entered in column 8; in the case of leave in India or Ceylon without medical certificate, the maximum will be the last entry in column 6, limited to 4 months at a time. The limits of 8 and 4 months may be exceeded as provided in the Note to Fundamental Rule 81 (b).

4. When a Government servant returns from leave, columns 9 to 18 should be filled up. The period of leave taken on average pay should be entered in columns 9, 10 and 11, that taken on medical certificate or spent elsewhere than in India or Ceylon should be entered in column 11 till the limit of one year is reached and thereafter in column 10. The actual periods of leave on half or quarter average pay (together with leave on subsistence grant under the Note to Fundamental Rule 88) and overstay of leave (*vide* Fundamental Rule 73) should be entered in column 13 and one half of it in column 14.

NOTE 1.—Leave on average pay taken under the Fundamental Rules in India without medical certificate in excess of the last entry in column 9 before the deletion of "plus one year" from Rule 81 (b) (ii) should be entered in column 11.

NOTE 2.—If the leave taken on half average pay exceeds the amount at credit on half average pay, the excess should be shown in red ink in column 17. If this debit shown in column 17 exceeds the credit, if any, shown in column 16, the net debit in column 18 will be recorded in red ink. The entry in column 18 is the leave due under Fundamental Rule 80. The balance of leave due on average pay shown in column 16 remains unaffected by any debit entries in columns 17 and 18, but cannot be utilised until, under the operation of Fundamental Rules 77 and 81 (e), leave again becomes due under Fundamental Rule 81 and then only to the extent of the leave due.

5. The total period of leave in terms of leave on average pay taken in a Government servant's whole career should not exceed the privilege leave under the Fundamental Rules, plus in that column, plus 2½ years.

6. When a Government servant is transferred to service under another Government, a separate account should be opened in F. R. Form 9 for showing the leave earned under that Government and the leave the cost of which is debited to that Government. In addition to the main leave account, and taken under these rules
